Commissioner for Patents

The reply filed on November 1, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The omission of the previously recited claim phrases "packaged together" and "instructions for administering the odorant to alter [or "increase" or "decrease"] blood flow to the vagina" (previously recited in all independent claims – i.e., claims 24, 25, 35, 41, and 45) within the amended claims of November 1, 2004 broadens the concept of the original and previously examined claims and is, therefore, deemed non-responsive. In order to be fully responsive, both of these phrase recitations must be put back into the independent claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
